

# DISSEMINATION AND ACTION EVENT

15 February 2017

Lombardy Region - Brussels Delegation to the EU  
Place du Champ de Mars 2 - B-1050 BRUSSELS

## LIFESTYLE IN MOBILITY

Students who travel internationally for education put themselves at risk from excessive alcohol consumption and suffer consequences as a result. This meeting presents findings from the first international study in this area and hosts a forum for discussion on opportunities to improve students' health.
